

Peter de Marsh

Peter de Marsh was elected to the External Review Panel in 2004, as the first Canadian Panelist. He is President of the Canadian Federation of Woodlot Owners, a

post he has held since 1989. He has also been involved in the New Brunswick Federation of Woodlot Owners since 1971, and currently holds the position of general manager. He owns and operates an organic vegetable and woodlot operation in central New Brunswick.

He has been active in national and international forest certification efforts, working on the Pan-Canadian Woodlot Certification Program, the Canadian Standards Association Technical Committee, the PEFC Council, and the SFI Implementation Committee in New Brunswick.

He holds a B.A. in Political Science and Economics from Toronto University and an M.A. in International Affairs from Carleton.
